

November: Fall Family Gathering – a time to include our families in celebrating fall. We invite our families to join us for lunch. Children enjoy having their families be a part of their day and eating a meal with them.

December: Winter Program – children perform songs and/or a play for their families during an evening in December. We enjoy the celebration of winter with music, song and family.

April: Spring Egg Hunt, Month of the Young Child, Art in the Community

May: Preschool Graduation

Occasionally we will go on field trips in the community. Places we are likely to visit include:
